## Making Your Bird's Life Better Recommended Supply List

### 1. Fun, Games & Everyday Essentials

- Toys** - mental stimulation, rotate 3 to 6.
- Treat Sticks** - alternate food location, must work to remove food - provides mental stimulation.
- Cage** - flap wings without hitting sides, bar space and strength.
- Cage Stand** - keeps bird out of cool drafts, away from other pets.
- Cage Cover** - allows proper rest.
- Hooded Seed Cup** - reduces seed throwing.
- Ladders** - for foot exercise, should provide different sizes.
- Swing** - exercise, alternate perch site.
- Additional Perches** - variety of surfaces to exercise feet and some keep nails smooth.
- Seed Guard** - keeps seed in cage.
- Extra Seed Cups** - alternate food location, this encourages foraging. Used for fruit and vegetables.
- Vacation Cups** - feed and water for up to a week.
- Cleaning Solution** - "Poop Off"
- Cage Litter (Corn Cob)** - Easier cleaning, spot clean daily.
- Book/Magazine** - background information and instructions for ongoing care.
- Club Pet** - Membership in this discount club entitles you to 10% savings on many pet related items.

### 2. Nutrition & Wellness

- Staple Diet** - provides basic nutrition (like oatmeal every day). Pellets recommended.
- Assorted Treats** - nutritional variety, foraging.
- Spray Millet** - natural seed head, foraging, young and weaning birds.
- Grit/Gravel** - helps birds grind food.
- Stress Aid** - very important during environment changes to maintain health.
- Cuttlebone/Mineral Block** - calcium, iodine and potassium source, trims beak.
- Vitamins** - ensures proper nutrition.
- Perch Scraper** - cleans wooden perches.
- Breeding Supplies** - nests, nesting materials.

### 3. Safety & Training

- Playpen/Play Gym/T-Stand** - alternate perch location, interaction with family members.
- CD to Teach Your Bird to talk** - play for your bird while you are away.

### 4. Fashion, Grooming & Travel

- Nail Clippers** - keeps nails short & dull.
- Styptic Powder** - stops bleeding if nail is cut too short.
- Bird Bath** - a place for bird to bathe.
- Bird Protector** - helps prevent mites and lice.
- Travel cage** - for trips to the vet or vacation travels.
